THE POSTERITY GOSPEL

MANAGING OUR SPIRITUAL WEALTH

Jesus said that it is more important to store up "treasures in heaven" than "treasures on earth." Yet, the benefits of an affluent society have added so much to our earthly treasures that financial wealth management based on Biblical stewardship is a new responsibility for us as Christians.

The Posterity Gospel is a call for Christians to give as much attention to Biblical stewardship in the management of our spiritual wealth as we are giving to our financial wealth. Just as we plan for retirement and the transfer of financial wealth to future generations, we must do the same with our spiritual wealth. In this book, David McKenna shows how the management of spiritual wealth joins the management of financial wealth as the stewardship test of our generation.

FREE METHODIST CHAPLAIN MINISTRY

Your **Free Methodist Chaplains** are:
- called to serve Christ the King and the Church in Matthew 25:31-46 places and situations,
- ordained FM Ministers who are endorsed, approved or certified to serve in military and civilian places,
- accountable to their home annual conferences and depend on them for prayer support/ encouragement,
- endorsed by Bishop Kendall for the Board of Bishops after an application process, committee interviews and recommendation by the Chaplain Endorsing Agent to serve others on behalf of the FMCUSA.

Your **FMCUSA Chaplain Endorsing Agent (EA)**
- recruits, screens, visits, encourages, mentors, prays for and corresponds with your chaplains;
- provides an annual professional training conference and a regular newsletter to encourage chaplains.

Your **Free Methodist Chaplains Association**
- advises and assists the EA in this ministry to enable quality ministries beyond the local church

Your **Praises and Prayers** for your Chaplains are greatly appreciated:
ask at rex.carpenter@fmcusa.org for regular issues of "Staying Connected" newsletter.

Your **Contributions** in support of this "ministry of connection" may be sent to:
FMCUSA Finance Dept. ATTN: Chaplains Account, 770 N High School Rd, Indianapolis IN 46214 marked "chaplain's acct" in the memo line

Your **Estate gift planning** may designate "Free Methodist Chaplains Account" or the "Randall Tucker Endowment Fund for C.P.E. Free Methodist Chaplains."

For a fuller understanding of FMC-USA Chaplaincy get a 2010 copy of E Dean Cook's book *CHAPLAINCY: Being God's Presence in Closed Communities (A Free Methodist History 1935-2010)* from Rex Carpenter or Dean Cook (see Retired but Active section for contact information).

Unplanned Pregnancy Services. Offering Life Choices to women & families in Unplanned Pregnancy.

The Birth Connection, founded in 1988, is a ministry devoted to caring for and assisting women and families who are experiencing an unplanned pregnancy.

We believe that each child is a part of God's plan and that unplanned does not mean unwanted. Through biblical counsel and care of each woman we strive to assist her in planning a future for her unborn child either through preparing to be the parent her child needs or through adoption. Our care of women is based on Christ's model in John 4 and 8 as he cared for the woman at the well and the woman caught in adultery, both could be facing an unplanned pregnancy due to their choices and circumstances, but Jesus saw them as they were and offered them a better way.

We are completely faith-based and dependent upon the support of individuals, faith-based organizations and churches. Each year we celebrate National Adoption Month with a Festival of Trees and a Taste of Northern California. This year we will be celebrating 30 years of a ministry in Northern California.

Please partner in prayer with us for lives cherished from conception, and the redemptive message of Jesus.

MMI

MEN'S MINISTRIES INTERNATIONAL

DISCIPLING MEN AROUND THE WORLD

MMI serves Christ and His church by discipling men for evangelism and service. Men are mobilized to evangelize and serve in their homes, churches and neighborhoods. In addition to resourcing men in their local and conference roles, MMI sponsors international ministries.

OPERATION 2 TIMOTHY2:2

Equips men around the world to effectively take the good news of Jesus Christ, in their language and culture, to their own people through church-planting, evangelism, and discipleship.

THIS MINISTRY:

- Recruits and supports ministerial and lay evangelist-trainers.
- Assists in establishing Men's Ministries International chapters in other countries.

Since 1995, we have sponsored 71 evangelists and planters around the world.

SCHOOLS OF DISCIPLESHIP

Schools of Discipleship train pastors and lay people to disciple and mentor new believers. They include:

- A focus on spiritual disciplines that make for growth
- A basic theological framework for faith
- The objective of Spirit-filled living that encompasses heart, mind, soul and the senses in love to God and others.

SCHOOLS OF EVANGELISM

Schools of Evangelism inspire and train lay persons and pastors in lifestyle evangelism which include:

- Send qualified trainers to local churches and area gathering
- Set forth first-century principles in contemporary forms.
- Provide both US and overseas evangelism training.

The ministry is the only one of the sort offered at the national level.

AVAILABLE DEVOTION BOOKS

Helps new believers form their life of faith in Jesus Christ. Each day begins with a Bible verse, followed by a devotional reading and a prayer from the Psalms. This book includes helpful hints on the faith journey and general aids in understanding the Bible.

THE POSTERITY GOSPEL

MANAGING OUR SPIRITUAL WEALTH

Jesus said that it is more important to store up "treasures in heaven" than "treasures on earth." Yet, the benefits of an affluent society have added so much to our earthly treasures that financial wealth management based on Biblical stewardship is a new responsibility for us as Christians.

The Posterity Gospel is a call for Christians to give as much attention to Biblical stewardship in the management of our spiritual wealth as we are giving to our financial wealth. Just as we plan for retirement and the transfer of financial wealth to future generations, we must do the same with our spiritual wealth. In this book, David McKenna shows how the management of spiritual wealth joins the management of financial wealth as the stewardship test of our generation.

THE POSTERITY GOSPEL

MANAGING OUR SPIRITUAL WEALTH

Jesus said that it is more important to store up "treasures in heaven" than "treasures on earth." Yet, the benefits of an affluent society have added so much to our earthly treasures that financial wealth management based on Biblical stewardship is a new responsibility for us as Christians.

The Posterity Gospel is a call for Christians to give as much attention to Biblical stewardship in the management of our spiritual wealth as we are giving to our financial wealth. Just as we plan for retirement and the transfer of financial wealth to future generations, we must do the same with our spiritual wealth. In this book, David McKenna shows how the management of spiritual wealth joins the management of financial wealth as the stewardship test of our generation.
